

SABA Browser Requirements

SABA Online Banking supports the following Internet web browsers:

- Internet Explorer 9
- Internet Explorer 10
- Internet Explorer 11
- Microsoft Edge
- Google Chrome (latest versions)
- Mozilla Firefox (latest versions)
- Safari (latest versions)

Notes on Microsoft Windows XP

Support for the Microsoft Windows XP operating system ended on 8 April 2014. Internet Explorer 8 (IE 8) is the only version of Internet Explorer that is available to use on Windows XP. Unfortunately, the limitations of IE 8 make it an unsuitable solution for secure, function rich Internet Banking applications. If you want to continue using Windows XP, it is recommended to download Google Chrome or Mozilla Firefox

Note: Windows Vista and Windows 7 users can upgrade to Internet Explorer 9, 10 or 11.

Windows 8 users can upgrade to Internet Explorer 11 and up.
